THE PANEL

ANASTASIA KATTS

Attorney and Legal Tech Expert
App4Legal, South Africa

Anastasia is a Legal Tech Expert at App4Legal. She graduated from the University of Cape Town with a BA LL.B. and is an admitted attorney of the High Court of South Africa.

She completed her law articles at Africa's largest law firm and has a history of working in the financial services industry. Anastasia is passionate about the current digital transformation in law and beyond.

KELECHI IBE

**Founder, Greenridge Foundation
Nigeria**

Kelechi Ibe is a Nigerian lawyer and Associate at Udo Udoma & Belo-Osagie - one of Nigeria's highly regarded law firms. He advises on Tax, Finance, Mergers & Acquisitions, Private Equity and General Corporate issues.

Kelechi is the Founder of GreenRidge Foundation, a registered non-profit committed to empowering Africa's entrepreneurs through access to free legal aid leveraging technology. The Foundation also focuses on developing an excellent pro bono culture amongst professional services firms in Africa aided by technology.

He was recently awarded a 30 under 30 award in recognition of the efforts of GreenRidge Foundation in supporting the startup ecosystem through access to free legal aid.

CHRISTINA DUTTON

Network Coordinator for the African Law & Tech Network

Christina Dutton is an international trade and regulations specialist working at the intersection of technology, trade, and foreign policy in Africa. She works with private, public, and third sector stakeholders to understand the impact of policy and regulation on development projects and business operations.

Christina also serves as Network Coordinator for the African Law & Tech Network, an online community that supports the African legal and tech ecosystem by facilitating the growth of enabling legislative and regulatory environments for tech innovation across all sectors.

MICHAEL KATAGAYA

**Co-founder & Team Leader, Evidence & Methods Lab
Uganda**

Michael Katagaya is a Ugandan social entrepreneur and author.

He is a Co-founder and Team Leader of Evidence And Methods Lab (EML), a civic tech initiative that is promoting access to justice by simplifying, visualizing and sharing critical legal information.
